## Lead Without Title: High Performance Leadership in Turbulent Times THE EXCLUSIVE ROBIN SHARMA LEADERSHIP WORKSHOP

# ROBIN SHARMA

is one of the world's top experts on personal and organizational leadership. He is the CEO of Sharma Leadership International Inc., a global training firm which does business in over 55 countries with a proven record for delivering winning results for nearly 15 years. Its clients include many of the best-known companies including Microsoft, Nike, FedEx, IBM, BP, KPMG and GE.

*"A leadership culture is one where everyone thinks like an owner, like a CEO or Managing Director. This means they focus on getting to solutions rather than on the problems" - Robin Sharma*

He is one of the superstars of the speaking profession, frequently sharing the stage with individuals such as Bill Clinton, Jack Welch, Ken Blanchard and Dr. Phil. A former litigation lawyer, Robin holds 2 law degrees including a Masters of Law. His work has helped millions of people live their best lives and thousands of organizations get to world-class.

Robin has authored ten major international bestsellers including The Greatness Guide Series and The Monk Who Sold His Ferrari. He is also a leading executive coach, having worked with billionaires, CEOs and celebrity entrepreneurs. His books have been embraced by major league sports stars, royalty and many Hollywood notables.

In an independent survey of the world's top leadership gurus by leadershipgurus.net, Robin Sharma was ranked number 2. He was also invited to speak at the prestigious Harvard Business School to address its MBA class on leadership and high performance in business.

He is in constant demand as a keynote speaker, seminar leader and executive coach for organizations committed to leadership in these times of high velocity change.

*"Two of the most valuable days I've ever spent. I would highly recommend this programme"*

**Mary Phaneuf, Director of Education AstraZeneca**

*"Your high-energy, multimedia presentation made us laugh, and made us think. Your messages were insightful and on target. Thank you for being such an inspirational and thought provoking keynote speaker. You have set a high standard and raised expectations for our series".*

**Bill Norman, Vice President - Worldwide Operations, Microsoft**

*"Robin Sharma was inspirational and exceeded the highest expectations of the audience. His words were moving and inspiring to everyone including myself. He truly deserved the standing ovation that everyone gave him".*

**Balakrishnam G. Iyer, Vice President, Portfolio Analytics, GE Commercial Finance**

*"With respect to your presentation, you should take a private moment to smile at yourself. Many attendees have mentioned to me that they have re-committed themselves to living a better life thanks to your words. People are getting up earlier, keeping journals, taking time to be more polite and setting meaningful goals. Robin, you have made a difference in the lives of the people who attended the conference".*

**Mark K. Tonneson, Executive Vice President, Royal Bank of Canada**

“What don't you like about your life or the organization you work for or the country you live in? Make a list. Write it down. Shout it out. And then do something to improve things. Anything. Start small or go big. Just do something. Today. Now. The world will be better for it.”

### Best Selling Books by Robin Sharma

**The best companies on the planet have one trait in common: They grow leaders throughout the organization faster than their competition.**

Good leaders are made not born. If you have the desire and willpower, you can become an effective leader. Good leaders develop through a never-ending process of self study, education, training and experience. Take advantage of this unique opportunity to understand the true importance of leadership and how you and everyone within your organization can LEAD WITHOUT TITLE.

As this workshop, we want to change the way you think about leadership. It is not about position. Leadership is everybody's business. It is for men, women and children. It is for business and communities. It is for you. Through his workshop, we intend to develop real leadership capacities in business executives, managers, and entrepreneurs from all background, coming to participate from all over Asia.

We all have the capacity for leadership, but only those who cultivate it will ever become truly effective leaders. Learn a new and practical way to help you achieve personal and professional greatness. Develop the leader in YOU.... And become an active participant in shaping your future and the future of others.

This proven programme will be a valuable turning point in your personal and professional development as a leader.
